BRIG - Rigid Intelligent Boats

BRIG is synonymous with excellence for RIB users throughout the world. We are the biggest selling RIB brand across Europe, and the number one brand in Australia, Sweden, Holland, Finland and UK.
BRIG RIBs are designed and built entirely on location at our cutting edge, 100,000-square-feet headquarters in Europe. There, our expert team of designers and engineers (including a core team of ex-military aeronautical engineers) develop and apply new aero and hydrodynamic theories to continually push the boundaries of conventional boat design.

The **BRIG Navigator 610** has been designed and built with adventure in mind. The **BRIG Navigator 610** has a reinforced deep V hull,

along with extended waterline length, extra-wide tubes and a square bow, all of which ensure a stable and dry ride, even at speed. This **BRIG Navigator 610** is powered by a **Suzuki** 150hp outboard and can carry 10 passengers in style and safety.
