Hunter Channel 323

Broker Remarks

This twin keel Hunter Channel 323 with dependable and predictable performance is great for coastal cruising and shorthanded sailing. Self tacking jib for ease of handling and a Parasailer downwind sail. Standing rigging was renewed 2024. Forward and aft cabins, comfortable saloon with two settee berths, heads compartment. Powered by a Nanni 21hp diesel engine. Seago inflatable dinghy with a ThrustMe Kicker light weight electric outboard included.

Two owners from new. Built from a Hunter 323 kit bought 1999 and commissioned in 2000.

Part exchange may be available and nationwide delivery can be arranged.

Accommodation

Forward cabin with V berths, opening roof hatch, shelving, hanging lockers. Door leading through to the saloon with port and starboard bench settees that can be used as single berths. Port settee backrest can be raised to use as a pilot berth and this gives more space for the berth below. Storage under, behind and outboard of the settees. Additional lockers, saloon portlight curtains, opening hatch and portlights.
Central dining table with drop leaves and storage, forward facing chart table with storage and seat to port, heads compartment further aft to port. **L** shaped galley to starboard, door to starboard to the double berth aft cabin. This cabin has a seat, stern portlight, opening portlight to the cockpit, shelving, hanging locker.
Central companionway that can be removed to access the engine and access also from the aft cabin.
