Remarks :

"Merlin 3" is a lovely example of the Fairline Turbo 36 which was a landmark boat not only for Fairline but the industry. The Turbo 36 was renowned for its superb handling, build quality and performance whilst also using shaft drives to improve reliability and maintenance costs.

"Merlin 3" offers owners fantastic accommodation aboard and has been updated in its current ownership with items such as new upholstery, carpets, new cockpit enclosure, new Raymarine Plotters, extensive engine maintenance, plus much more.

Her large saloon and spacious aft owners cabin means that longer stays are more than comfortable and allow for plenty of family and friends to spend time aboard.

She is presented well and a joy to step aboard, do not miss out on this opportunity to purchase one of the later Turbo 36's.

Currently berthed afloat in Chichester Marina, viewing by appointment.
