This particular example is ashore with us in Chichester Marina and can be viewed at a moments notice. She can be commissioned and made ready for the beginning of Spring!

The specification of this boat is for this exact example. Further custom options can be added by local professionals to create your dream boat!

The Merry Fisher 895 Series 2 reinterprets all the strengths that have made the Merry Fisher a worldwide success: modular spaces, safe, easy movement on board for the whole family, and surprising accommodations for a boat of 8 metres, with two separate cabins, a spacious head compartment, and the ability to cruise with six people on board, owing to the saloon, which transforms into a double berth.

This new version integrates an elongated line, inspired by larger models of the new generation. Contemporary windows in the hull and the coachroof, with its distinctive design, integrate seamlessly into a powerful, sporty silhouette. The new hull enables planing from 20 knots, ensuring comfort and manoeuvrability.

This new example was constructed in 2024 to a 2025 specification and priced to include twin Yamaha 150hp drive by wire engines (engine and pre-rig upgrades available), Premier pack, comfort pack, front sun pads, double berth conversion, overhead lockers in galley and front cabin and inside curtains.
