Remarks :

The Viking Marin 34 Aft Cabin is a type of motor yacht that combines classic design with practical functionality. She is well-suited for those looking for a comfortable, semi-displacement cruiser that is capable of both leisurely cruising and more extended

voyages. Her aft cabin design makes her ideal for those who desire privacy, particularly for live aboard or long-term cruising.

'Serenity' is a nice example of this rare motor yacht and we would certainly encourage a viewing if you are looking for a boat with an abundance of internal space, practical deck layout and good built quality.

Please call us on 01243 550042 for more information and to arrange a viewing. Viewings by appointment only.
