## Accommodation

The Swallow Yachts Coast 250 is designed to provide comfortable accommodation for up to 5 people, making it a practical option for small family cruising or adventurous sailing trips. Here are the key details about its interior layout and accommodation features:

- **Forward Double Berth:** A spacious V-berth in the bow offers a comfortable double sleeping space.
- **Saloon Berth:** The port-side settee in the saloon can function as a single berth.
- **Aft Double Berth:** A large double berth located under the cockpit offers additional sleeping space, ideal for two adults.

## Galley

- **Sliding Galley Unit:** Positioned on the port side, this modular galley setup can slide aft to create extra space when not in use.
- **Sink with Fresh Water Supply**
- **Portable or Built-in Stove:** Depending on configuration, it can accommodate a small stove or cooker for meal preparation.
- **Worktop & Storage:** Sufficient workspace and compartments for utensils, cookware, and provisions.

## Heads Compartment

- **Separate Enclosed Heads:** Located on the starboard side, providing privacy.
- **Marine or Chemical Toilet:** Depending on user preference and setup.
- **Storage & Ventilation:** Space for toiletries and good ventilation to prevent moisture buildup.

## **Saloon**

- **Light & Ventilation:** Large windows and hatches provide plenty of natural light and airflow.
- **Seating & Table:** The saloon features comfortable seating for dining or relaxing.
- **Convertible Space:** The table can be adjusted or removed to create more space when needed.

## **Cockpit & Deck Features**

- **Spacious Cockpit:** Provides ample outdoor seating and shelter.
- **Swim Platform & Ladder:** Easy access to the water for swimming.
- **Storage Lockers:** Located in the cockpit for gear, ropes, and other essentials.

## **Overall Interior Feel**

- **Bright & Airy Design:** The use of light-coloured materials and large windows enhances the sense of space.
- **Compact yet Practical:** Every inch of the Coast 250's interior is optimised for efficiency and comfort.
- **Customisable Layout:** Some elements, like the galley and berths, can be adapted based on user needs.

## **Remarks :**

We are excited to offer this rare opportunity to acquire one of a limited number of COAST 250 sailing/motor boats on the market. Shortlisted for the European Yacht of the Year Award (2019) these are really special boats and this is an opportunity not to be missed.

The COAST 250 features pure sailboat design, drawing together the best of modern technology to create no-compromise sailing performance and allow for motoring at speeds up to 15 knots. Having this sort of motoring capability changes everything, from tidal passage planning, staying safe, or simply getting home more quickly.

Featuring four full size berths, an enclosed heads and a sliding galley, this boat showcases Swallow's signature attention to optimising space below and combining stylish comfort with practicality.
