### **Disclaimer**

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

### **Accommodation**

#### **Master Cabin**

There is a large 2m long island berth double in the master, forward cabin that also has a large storage under the berth. This cabin also has the upgraded storage lockers overhead. This cabin has a large amount of light coming in from the long sea vision inspired portholes and the deck hatch which allows for ventilation. This cabin also has the option extra overhead storage lockers fitted and has a hanging wardrobe on the Portside. This cabin also has ambient, indirect LED lighting as part of the Premier pack.

#### **Second Cabin**

The second cabin is situated on the port side, has a generous sleeping area, good natural light from port hole as well as from the sky light and also incorporates a seat. Under the berth is additional storage as well as a hanging cupboard.

#### **Heads**

The marine toilet is situated on the lower level in front of the helm station. In this compartment there is a marine toilet, sink, pull out shower with a shower pump.

### **Remarks :**

The Merry Fisher 895 Series 2 reinterprets all the strengths that have made the Merry Fisher a worldwide success: modular spaces, safe, easy movement on board for the whole family, and surprising accommodations for a boat of 8 metres, with two separate cabins, a spacious head compartment, and the ability to cruise with six people on board, owing to the saloon, which transforms into a double berth.

This new version integrates an elongated line, inspired by larger models of the new generation. Contemporary windows in the hull and the coachroof, with its distinctive design, integrate seamlessly into a powerful, sporty silhouette. The new hull enables planing from

20 knots, a speed easily obtained with its twin engines, 2 x 250 HP at maximum speed, ensuring comfort and manoeuvrability.

This new model will be available from April 2024.
