Jeanneau Sun Odyssey 350

Broker Remarks

Building on the extremely successful Jeanneau Sun Odyssey 349, the Jeanneau Sun Odyssey 350 is a brand new model which was launched at the Dusseldorf boat show 2024.

Featuring a brand new hull design which has incorporated the cleverly designed 'walkaround' side decks of the larger sun odyssey's within the range, she boasts impressive sailing performance as well easy manoeuvrability and handling.

Her contemporary interior consisting of an all newly designed finish and lighter colours are incredibly inviting to owners and guests alike. A number of layout options are available in 2 and 3 cabin variants to allow you specify the boat to meet your exact requirements. This current spec is for the 2 cabin version with a large storage area and heads occupying where the 3rd cabin would traditionally be.

The specification of this boat can be altered and added too!

Please call us on 01243 550042 to discuss the boat further and create your dream yacht!

Photos currently being shown of the Dusseldorf 2024 boat show boat. Specification of this boat does not match the advertised price.

Accommodation

Accommodation:

Forward double berth with storage
Saloon with two benches either side of table with folding leaves
Chart table
L-shaped galley
Aft double cabin with storage
Aft large storage / garage with heads and separate shower

Successor to the Sun Odyssey 349, a tremendous success, this efficient, easy-to-handle cruising sailboat features clever innovations for the comfort of all on board and for the pleasure of sailing. The Sun Odyssey 350 features a distinctive, contemporary silhouette. Her bow stands clear of the waterline, facilitating docking manoeuvres and handling in light wind. High-performance and responsive at the helm, she is distinguished from her predecessor by innovation to further improve quality of life in the cockpit. Walkaround sidedecks facilitate handling and ease of movement. With this clever layout, there are no obstacles to interrupt the flow of movement on board. The helmsperson benefits from enhanced comfort and better forward visibility due to off-centred aft helms with twin steering wheels.

For superb cruises with family, this sailboat features a welcoming saloon with a contemporary design. Interior living spaces are bathed in light, streaming through wide windows in the hull and coachroof. In the evening, indirect lighting contributes to a warm, serene atmosphere on board. With standing headroom of over 1.85 metres throughout, the saloon and cabins feel spacious and inviting. Aboard the Sun Odyssey 350, pursue your passion for the sea and sea spray with greater well-being and peace of mind.
