Accommodation

The Hunter 245 has six berths in an open plan layout with 6ft headroom in the companionway, galley, and heads. The forward area has a double V berth with stowage beneath and a hatch to the deck. The open-plan saloon area has two settee berths, large folding dining table. The galley is practical has a gimballed 2-burner gas cooker with a grill. Stainless steel sink with manually pumped water supply, and dry storage. The heads compartment is to port with a Jabasco marine toilet washbasin, wet hanging area. The Aft cabin to starboard has a double berth, with a portlight window aft. Her upholstery is clean throughout.

Remarks :

The **Hunter Ranger 245** is a family cruiser with a surprising amount of room below. The twin keel configuration makes it ideal for exploring the shallowest of waters, and it can safely take the ground, but they are still highly regarded sea boats for their size. 'Egret' is easily sailed short-handed, benefitting from a self-tacking jib, all lines leading back to the cockpit and auto-helm.

Her sails are all in good condition, the main is fully battened, and she has a cruising chute.

The Hunter 245 is a comfortable cruiser capable of sleeping 5. The open plan layout gives a large light saloon with a folding dining table. There is a separate heads and a galley with a

twin burner and grill.

The Hunter can be viewed ashore in Lymington 7 days a week. Please call Howard Ross on 07590 847548 to arrange a viewing.
