Accommodation

The Sadler 25 can sleep 5. She has a separate heads with sea toilet. The galley has a sink and storage.

Remarks :

The Sadler 25 was David Sadler's upgrade to the well respected Contessa 26. She has better accommodation being wider in the beam and giving better head height. She a fast and stable racer cruiser.

This Sadler 25 has been well maintained by her owners, who have had her from new. She has a replacement engine, a Yanmar which has been regularly serviced. Her standing rigging was replaced in 2016 and she comes with a full suit of sails.

She is one the last 25's to be built and has a taller mast and larger main than the earlier Sadler 25's, which has all added to her performance. Her owners have enjoyed local Solent

cruising and racing , including The Round the Island race in which she was a winner in her class.

She is neat down below with upgraded upholstery a good size saloon and separate heads compartment.

She can be viewed ashore in Lymington seven days a week. Please call Howard Ross 07590 847 548

for more information and to arrange a viewing.
