# Sadler Yachts

## Sadler

### Broker Remarks

The Sadler 25 was David Sadler's upgrade to the well respected Contessa 26. She has better accommodation being wider in the beam and giving better head height. She is a fast and stable racer cruiser.

This Sadler 25 has been well maintained by her owners, who have had her from new. She has a replacement engine, a Yanmar which has been regularly serviced. Her standing rigging was replaced in 2016 and she comes with a full suit of sails.

She is one of the last 25's to be built and has a taller mast and larger main than the earlier Sadler 25's, which has all added to her performance. Her owners have enjoyed local Solent cruising and racing, including The Round the Island race in which she was a winner in her class.

She is neat down below with upgraded upholstery, a good size saloon and separate heads compartment.

She can be viewed ashore in Lymington seven days a week. Please call Howard Ross 07590 847 548 for more information and to arrange a viewing.

## Accommodation

The Sadler 25 can sleep 5. She has a separate heads with sea toilet. The galley has a sink and storage.
