Sportina 700

Broker Remarks

Sportina trailer sailers with lifting keels have earned a great reputation as quality-built sporty yachts that offer great comfort throughout and sail extremely well. This Sportina 700 has been extensively refitted by her current owner. Her hull has been epoxied, she has new standing rigging, new Sanders genoa and main in 2023, as well as a new 5hp Yamaha engine with an external fuel tank. Her trailer is in full road-worthy condition. She is in very good condition down below and will sleep 4. She has a chemical loo and a galley area with a sink and single burner stove. 'Solent Sway' is in great condition and is the best trailer sailer in her class and in the owner's opinion will sail rings around Jeanneau 2000 and Beneteau's 210 and 211's. With her keel up she draws just .35m so she can go anywhere and with the keel down her 1.4m draft gives sparkling performance. She can be viewed in Lymington 7 days a week. Please call Howard Ross on 07590 847548 for more information and to arrange a viewing.

Accommodation
