Remarks :

The Prestige 420 offers an exceptional blend of luxury, performance, and intelligent design in a manageable size. Powered by twin Cummins engines with joystick control, she delivers smooth and responsive handling, whether cruising at sea or docking in tight spaces. Her spacious layout includes two beautifully appointed cabins, two bathrooms, and a

light-filled saloon with panoramic views—perfect for extended cruising or entertaining. The galley aft layout seamlessly connects the saloon to the cockpit, while the flybridge offers an inviting space for open-air relaxation. Finished with high-quality materials and equipped with a comprehensive inventory, this Prestige 420 presents a rare opportunity to own a lightly used, well-maintained example of this popular model.
