Remarks :

This well-maintained Bayliner 3055 (2001) offers impressive comfort, space, and upgrades, making her an ideal cruiser for weekends away or extended coastal adventures. Fitted with a Lewmar bow thruster (2021), twin Simrad GO7 plotters with 3G radar, and ICOM VHF, she's well-equipped for safe and easy navigation. Recent investments include new cockpit upholstery (May 2024), updated canopy windows, LED lighting, a Sony Bluetooth stereo system with Fusion speakers, and a new microwave. Her twin engines have just undergone a comprehensive service including new belts, batteries, antifoul, leg service with bellows and gimbal bearings, impellers, and fluids—all completed in 2024/25. The spacious interior benefits from diesel heating, electric flush heads, fridge-freezer, dual-fuel hob, and new curtains (2024/25). A great example of this popular model, ready to go for the season.
