Jeanneau 9.0WA Cap Camarat

Broker Remarks

Full Circle is an incredibly smart example of the ever-popular Cap Camarat 9.0 WA, blending sportiness with practicality in a design that's equally at home on day trips, water sports sessions, or overnight stays.

Her custom honeycomb hull wrap gives a standout aesthetic, complemented by modern styling, excellent space utilisation, and thoughtful upgrades.

The versatile cockpit layout, generous sunbathing areas, and deep-V hull combine performance with comfort, and the interior offers real weekender capability. Sold new in 2020, she's only run approximately 100 hours and has been recently serviced and antifouled (October 2024) by her second careful owner. Well-specced, lightly used, and ready to enjoy.
