Remarks :

Fly Bridge Version

The Beneteau Antares 9 is a remarkable motorboat that sets new standards in design, performance, and versatility. With its sleek lines and modern aesthetics, it immediately catches the eye and exudes a sense of elegance and sophistication.

Step aboard the Antares 9, and you'll be greeted by a spacious and well-appointed interior. The cabin is thoughtfully designed to maximize comfort and functionality, with ample seating, a well-equipped galley, and large windows that flood the space with natural light. Whether you're embarking on a day trip or an extended cruise, the Antares 9 offers all the amenities needed for a luxurious and enjoyable experience on the water.

But it's not just about aesthetics—the Antares 9 delivers impressive performance as well. Powered by a reliable Volvo Inboard (recently serviced), providing a smooth and stable ride even in challenging conditions. The advanced hull design ensures excellent maneuverability, allowing you to navigate with ease and confidence.

The Beneteau Antares 9 is an excellent boat that combines style, performance, and practicality in a single package. Whether you're seeking a luxurious weekend getaway or an adventurous exploration of the open seas, this motorboat is the perfect companion. Experience the ultimate boating experience with the Beneteau Antares 9 and create memories that will last a lifetime.
