Remarks :

The Quicksilver 905 Pilothouse, powered by twin Mercury V8 250 engines, is a versatile and robust boat designed for both fishing enthusiasts and families looking for adventure on the water. Olivia Grace features a large pilothouse with excellent visibility and protection from the elements. With ample seating and a well-appointed helm station, it provides a comfortable and ergonomic space for navigation and relaxation.

The deck layout of the Quicksilver 905 is designed for versatility and functionality. With a spacious cockpit and ample deck space, it offers plenty of room for fishing, entertaining, and outdoor activities. The cockpit can be customized with optional features such as a bait preparation station, fish lockers, and additional seating.

Below deck, the Quicksilver 905 offers comfortable accommodations for overnight stays or longer trips. With a spacious cabin featuring a convertible dinette, galley area, and enclosed head compartment, it provides all the comforts of home while onboard.

The twin Mercury V8 250 engines provide powerful and efficient performance, delivering smooth acceleration and impressive top speeds. With responsive handling and excellent manoeuvrability, the Quicksilver 905 is well-suited for a wide range of sea conditions and activities.

Overall, the Quicksilver 905 Pilothouse, fitted with twin Mercury V8 250 engines, offers a perfect blend of comfort, performance, and functionality for boaters seeking adventure on the water. Whether you're fishing, cruising, or simply enjoying time with family and friends, this versatile boat is sure to exceed your expectations.
