Flybridge

Hull lightly soda blasted back to gelcoat June 2021, then underwater primed & antifouled

New DZR engine intake & heads seacocks May 2016

HIN No: MPPGB1B7A494

### Mechanical:

Twin Caterpillar 3116TA, 335hp turbocharged diesel engines

Fresh water cooled

Separ fuel filters

Single-lever morse engine controls

Dual station hydraulic steering

Shaft drive

Tides marine SureSeal shaft seal

Cutlass bearings were replaced in June 2021

Rope Cutters (SERVICED JUNE 2021)

Four-blade bronze propellers

Trim tabs

Max Power 7.1kw bow thruster with dual station controls (NEW JUNE 2019)

Cruising speed approximately 18 knots

Maximum speed approximately 25 knots

### Electrics:

12v 130ah Victron Energy AGM engine start battery (NEW JAN 2016)

12v 130ah Victron Energy AGM service battery (NEW JAN 2016)

Four x 12V 165ah Victron Energy AGM service batteries (NEW JAN 2016)

Two x 12v 105ah bow thruster (NEW JUNE 2019)

Victron Energy Quattro 12v 220amp 5kw mains battery charger & inverter (NEW JAN 2016)

Victron Energy Blue Power controller (NEW JAN 2016)

12V system, switched & charged by engine alternators

230V shorepower system

### Tankage:

Fuel capacity 250 gallons in 2 aluminium tanks

Fresh water capacity 105 gallons in 1 aluminium tank

Hot water tank capacity 10 gallons (NEW MAY 2016)

### Water System:

Pressurised hot & cold water

Water heated by calorifier & 220v immersion heater

## Inventory

### Navigation Aids:

At The Internal Helm Position;

Raymarine ES97 9" multifunction display (NEW JAN 2016)

Raymarine ES97 7" multifunction display (NEW JAN 2016)

Multifunction displays have radar, chart, fishfinder, data & AIS functions active

Raaymarine Ray260 DSC, VHF radio dual position (NEW JAN 2016)  
Raymarine passive VHF loudspeaker (NEW MAY 2016)  
Raymarine i50 speed (NEW JAN 2016)  
Raymarine i50 depth (NEW JAN 2016)  
Raymarine Evolution autopilot  
Raymarine P70R evolution autopilot control head (NEW JAN 2016)  
Plastimo steering compass

At The Flybridge Helm Position;  
Raymarine ES97 7" multifunction display (NEW JAN 2016)  
Multifunction display has radar, chart, fishfinder, data & AIS functions active  
Raymarine i70 with AIS 650 transceiver display  
Raymarine P70R evolution autopilot control head (NEW JAN 2016)  
Raymarine passive VHF loudspeaker (NEW MAY 2016)  
Raymarine Quantum Radar scanner with stainless steel scanstrut (NEW MAY 2016)  
Plastimo steering compass

**Ground Tackle:**

Delta anchor  
Chain & warp  
Electric anchor windlass (operated from both the bow & both helm positions)  
Stainless steel bow roller

Full instrumentation & navigation aids are available  
L-shaped seating with cushions to starboard (NEW UPHOLSTERY 2020)  
GRP hinged flybridge steps hatch, with gas struts to ensure the safety of crew members when on the flybridge

**Remarks :**

**Owners Remarks:**

We purchased the boat in 2016, and since then, we have updated her to what we think is a very high standard; items that we have upgraded include a full navigation suite upgrade, canvas covers, interior & exterior cushion coverings, Webasto heating system, bow thruster as well as a comprehensive 12V power bank, charging & inverter system.  
We have maintained the boat with no expense spared with regular engine servicing; we also had the underwater profile stripped back to gelcoat in 2021, taking away years of old antifoul. We have mainly used Paddington as a coastal cruiser along the Southwest coast, we have regular trips in the summer East or West of Plymouth, and we also make it a priority at least once a month to get out on the water, even if it is only to take her as far as the Eddystone

lighthouse, or the River Yealm.
