Broker Remarks

WHALY 435 – RUGGED, RELIABLE, READY FOR ANYTHING

Material: Constructed using **rotationally moulded Polyethylene (PE)** – 100% recyclable and **UV-stabilized** – the Whaly 435 features a **double-walled hull** formed in a **single seamless piece**, ensuring exceptional durability and safety. This high-grade plastic is known for being impact-resistant, low-maintenance, and virtually indestructible. The **Whaly 435** is a true workhorse on the water – robust, stable, and built for tough environments. Thanks to its **double-walled construction** and high-impact Polyethylene body, it's **nearly unsinkable** and ideal for both recreational and professional use. Whether you're patrolling, fishing, tendering, or just enjoying the outdoors, the Whaly 435 offers **safety, performance, and ease of use** with minimal upkeep.

- With its high load and passenger capacity, it's perfectly suited for groups, clubs, water sports centres, rescue operations, and rental services.
