Remarks :

Beneteau Oceanis 31 for sale. This Finot-Conq designed Oceanis is a popular, fast cruiser with a comfortable layout featuring two cabins and a saloon. She benefits from the 'Elegance' trim upgrade, a recently copper-coated hull, and a host of other options. The aft cabin and heads in particular are both generous for the size of boat. LUNITA features a deep iron keel making her a great choice for coastal cruising, she has six berths and is powered by a Yanmar 3-cylinder 15 kw (21hp) inboard diesel engine that was last serviced in February 2023. Surveyed October 2021 with key findings addressed. Fun days out or comfortable weeks afloat await couples and families alike on this lovely, up-together yacht.
