Broker Remarks

Oh My! What a beautiful hull. The Menorquin Yachts are sublimely built in a classic and timeless style. This 24ft cruiser offers a great opportunity to weekend out on the water. Offering stability, comfort and economical running. Powered by twin Sole 50hp diesel engines, serviced April 2023. La Bora is a head turner of a vessel and rare to the UK market. UK Tax Paid. She is in need of some work, mainly cosmetic. But with some TLC and a bit of elbow grease this beauty will easily recoup the investment. La Bora stylishly awaits her new captain and crew. She is quite simply a steal!
