LM 32

Broker Remarks

The ever popular and sought after LM 32 Motor-Sailor from Danish builders Lunderskov Mbelfabrik. A great build with a better sail performance than one would expect. Tic Toc has been well maintained. New Standing Rigging in 2022. Upgrades to the electronic navigation suite in 2020. She offers 5 berths in 2 Cabins. Pressurised hot and cold water and Eberspacher heating throughout. An ideal family/couples cruiser. LM 32's in this condition are rare to market. Look sharp if you are in the market for a quality Motor-Sailor.
