THE CHEAPEST FIRST 29 ON THE MARKET. Great Escape is an honest example of the Beneteau First 29, and offers excellent value for money given her inventory and ability. Lay afloat in Milford Marina, she is looking for a new loving owner to give her some light TLC and continue her sailing life. She has a very good specification, but will need a weekend or two cleaning and doing some odd jobs.

THE CHEAPEST FIRST 29 ON THE MARKET!

Great Escape is a really honest example of the Beneteau First 29, and offers excellent value for money given her inventory and ability. She is looking for a new loving owner to give her some light TLC and continue her sailing life. She has a very good specification, but will need a weekend or two cleaning and doing some odd jobs.

Mechanically and structually she looks to be in good shape. She boasts a shiny near new B&G V7 MFD, near new anchor and chain and plenty of gear to get you going.

Cosmetically, a good clean to the outside, and some replacement headlinings are needed inside.

Overall, she is a nice honest example and will stand you in good stead.

Viewing is recommended. Lay afloat on her home berth in Milford Marina.
