Loads of deck space.

Custom T Top, with top internal sun cover.

Remarks :

Karnic's are hard to come by, they are so highly regarded. This Bluewater open version is a fantastic boat for some serious offshore fishing. Her 2016 140hp Suzuki engine is faultless, and she offers fantastic value for money.

She comes with a launching trailer (un braked), and a custom made T Top with new fabrics.

Her electronics are limited, which is reflected in her price. However this does give the new owner a change to choose your own preferred equipment.

Viewing is highly recommended, and available by appointment with Network Yacht Brokers Milford Haven. Call us on 01646 278270, WhatsApp 07709 095683 or email milford@yachts.co
