Accommodation

The 2500 SE boasts Maxum's active seating design and a spacious below deck cabin, with a fully featured galley, dinette/forward berth; and separate mid-cabin berth areas that sleep four adults and has an enclosed head with a molded shower and sink.

Her upholstery and carpets are in excellent condition. A full carpet set is included for the cockpit.

Tankage

Fuel: 70 UK Gal

Fresh Water: 20 UK Gal

Holding: 20 UK Gal

Remarks :

Comfortably Numb in an impressive example of a Maxum 2500 SE, impeccably maintained with full history. She has been owned by her current owners since 2016, and has received light recreational use in the Cleddau Estuary. Sadly offered for sale, but still in use whilst on the market.

She has a 260hp V8 Mercruiser 5.0L MPI inboard engine, connected to a Mercruiser Bravo 3 Sterndrive with Stainless Steel duoprops.

Her bowthruster makes marina berthing easy, and she comes with a winter tonneau cover and summer full cover, with framework.

Four berths in two cabins make her ideal for couple and family cruising. A good sized heads with hot and cold running water. Marine head connects to a built in holding tank.

She is in lovely condition, and ready for new owners to step onboard and have some fun.

Lay afloat, please contact us to book a viewing. Finance is available on this vessel.
