Beneteau Oceanis 51.1

Broker Remarks

**BENETEAU OCEANIS 51.1 - 2021 | Private yacht |
Performance-oriented specification**

A particularly well-specified Oceanis 51.1 combining the generous volume and comfort of the Nauta-designed interior with Beneteau's factory First Line Alu / Performance rig package. *ARUBA* has been configured for both serious sailing and comfortable private cruising.

ARUBA's rig specification closely matches Beneteau's factory First Line Alu package. This is materially different from the standard Oceanis 51.1 cruising rig and is designed to deliver a more powerful and responsive sailing configuration.

- Tapered Z Diffusion aluminium Performance mast, approximately 1.50 m taller, with three swept-back spreader levels
- Mainsail track with ball-bearing car system
- Dyform standing rigging
- Textile hydraulic backstay
- FlatDeck genoa furler
- Performance Dyneema running rigging for mainsail, genoa, Code 0, asymmetric spinnaker and halyards

- German mainsheet system with control at the helm stations
- Harken Black Magic blocks
-

Genoa sheet tracks on the side decks

- Harken Performa upgrade: 2 x electric H50.2 manoeuvring winches and 2 x manual H60.2 genoa winches

- White composite steering wheels

- Reinforced polyester bowsprit for Code 0 and asymmetric spinnaker.

Additional Sail Inventory

- A2 asymmetric spinnaker - approx. 203 m², Challenge Fibermax 44, tri-radial construction, 0.75 oz, with sock
- Code 0 - approx. 132.77 m², Polyester/Kevlar construction, Dimension Code Zero Silver CZ90/CZ60

Accommodation

The three-cabin layout provides a spacious owner's suite forward with a centreline island berth, plus two generous double aftcabins. The bright Nauta Design saloon and U-shaped galley benefit from the Oceanis 51.1's wide beam and extensive natural light.

GALLEY & DOMESTIC EQUIPMENT

- Fully equipped galley
- Dishwasher
- Washing machine
- Microwave oven, 230 V
- 75 L drawer refrigerator/freezer
- Additional top-opening cold-storage/freezer compartment
- Additional cockpit refrigerator, approx. 15 L
- Hot and cold pressurised freshwater system
- Shore freshwater connection
- Approx. 770 L total freshwater capacity
- 220 V onboard system
- Generator
- Multi-zone air conditioning
- Seawater/freshwater foot pump
- PMMA sink worktop/surface
- Mosquito screens for portlights

ACCOMMODATION & INTERIOR

3-cabin owner's configuration

Spacious owner-oriented interior configuration with three double cabins.

Known equipment includes:

- Three-cabin layout
- Owner's cabin
- Spring mattresses
- Saloon with extensive natural light
- Interior dining/saloon area
- Fully equipped galley
- Microwave oven
- Dishwasher
- Washing machine
- 75 L drawer refrigerator/freezer
- Additional top-opening refrigerated/freezer storage
- Television
- Fusion entertainment/audio system
- Hot and cold pressurised water
- Shore freshwater connection
- Multi-zone air-conditioning system

- **B&G NAC-3 autopilot**
- Autopilot controls
- **B&G WR10 wireless autopilot remote**
- **B&G HALO20+ radar**
- B&G wind instrumentation
- Speed/depth instrumentation
- GPS
- **B&G fixed VHF with AIS receiver and 2 x wireless VHF handsets with charging stations**
- AIS receiver
- Compass
- Electronic navigation/cartography
- Windlass control with chain counter
- **Electric engine control at starboard helm**
- **PC interface**
- **Exterior lighting controls at port helm**

Comfort, Systems & Cruising Equipment

- 220 V generator
- Multi-zone air-conditioning system, including a 40,000 BTU saloon/galley system and separate cabin climate-control zones.
- Bow thruster

- Three-blade folding propeller for the 110 hp engine
- AGM battery upgrade plus 3 additional 140 Ah service batteries and 60 A charger
- Custom-made bimini
- Retractable davits for tender up to 3.10 m
- Electric tender inflator/deflator and outboard-engine bracket
- Shore freshwater connection
- Microwave oven
- 75 L stainless-steel drawer refrigerator/freezer
- 15 L cockpit refrigerator
- Additional top-opening 12 V cold-storage/freezer compartment
- Dishwasher
- Washing machine
- TV and Fusion Hi-Fi with interior, cockpit and foredeck speakers
- Spring mattresses in owner's cabin and both aft cabins
- Courtesy lighting at transom, toerail, arch and spreaders

TANKAGE & AUTONOMY

- Approx. **400 L total diesel capacity**

- Approx. **770 L total freshwater capacity**
- Generator
- Multi-zone air conditioning
- Washing machine
- Dishwasher
- Shore freshwater connection
- Extensive refrigeration
- Retractable tender davits

Together with the Performance rig and additional sails, this is what makes ARUBA interesting: she isn't simply a First Line sailing configuration; she combines the performance package with substantial cruising/liveaboard equipment.

DECK & COCKPIT

- Large cockpit
- Twin helm stations
- White composite steering wheels
- Teak cockpit flooring
- Cockpit table
- Cockpit refrigerator, approx. 15 L
- **Custom-designed bimini**, specifically designed to improve movement through the cockpit
- Cockpit shower
- Electric anchor windlass
- Windlass control with chain counter
- Bow roller/anchor arrangement
- Reinforced bowsprit
- Retractable tender davits
- Davit system suitable for tender up to approx. **3.10 m**
- Bathing platform

- Swim access
- Shore freshwater connection
- Deck and cockpit storage
- Navigation instruments at helm
- Harken Performa winches
- **Stainless-steel bow protection**
- **Cockpit bench extensions**
- **2 halyard bags beneath cockpit benches**
- **“Luxe” polyester cockpit table with stainless-steel handrail**
- **Protective covers for steering wheels and consoles**

ELECTRICAL SYSTEM

- 12 V DC electrical system
- 230 V AC system
- Shore power
- Battery banks
- Battery charger
- 220/230 V generator
- Generator
- Multi-zone air conditioning
- Electric manoeuvring winches
- Electric anchor windlass
- Bow thruster
- Interior and exterior lighting
