Accommodation

English

It has a spacious cockpit with two sofas or ready to store anything. It is an ideal boat for sport fishing. It has a cabin with glass cleaner to be able to sail in the best conditions. Its Perkins engine makes it very reliable. Although speed is not its strong point, this Artaban will surprise you with its great strength.

Español

Tiene una amplia cabina con dos sofás o listo para almacenar cualquier cosa. Es un barco ideal para la pesca deportiva. Tiene cabina con limpiacristales para poder navegar en las peores condiciones. Su motor Perkins, le hace muy fiable. Aunque la rapidez no sea su punto fuerte, este Artaban te sorprenderá por la gran fuerza que tiene.

Remarks :

English: Artaban 660 from 1980

Fishing-Ride Boat with a 48 CV diesel engine and a large cockpit for fishing and cruising. Working perfectly with a Perkins 4108 engine with a meagre consumption of 48 CV, about 2/3 litres of diesel per hour.

It is equipped with Autopilot, Sonar, GPS, radio, electric anchor windlass, FM radio, navigation lights, rod holders, cockpit awnings to close the cabin and glass protection, a new battery this summer, life jacket, pump washdown, platform in the stern with a new folding stainless steel ladder.

Interior cabin with two beds and cabinets
