New Radio VHF Icom IC-M4230 GPS remote mic

Secondary VHF radio portal Icom IC-M25

2021 Wind direction/wind speed indicator Raymarine St60plus Stereo

Sony CDX-GT52, speakers salon (2) and cockpit (2)

Sails & Rigging

Profurl Furler on forestay for Genoa Main sail, DOYLE

2021 Genoa, DOYLE, furling

2021 Asymmetric Spinnaker with socket, DOYLE

2021 Storm Jib, Rolly Tasker

2021 Main Sail bag with lazy jacks

2 Winches, Lewmar 65, 2 speed, back of cockpit Winch, Lewmar 46 electric 12v, two speed, port side Winch, Lewmar 49, 2 speed,

Starboard Whisker Pole

Extendible Jack lines

Radar reflector

2 x Steering wheel, Goiot, manual and autopilot are hydraulic

Inventory

Highlights

- New Sails

- New Chartplotter
- New AIS
- New House Batteries
- New Bowthruster Battery and Main Engine Battery
- Dinghy Davits
- Generator
- Water Heater
- Inverter
- Air Conditioner
- Radar
- Solar Panels
- Epirb
- Radar Reflector
- Electric winch
- Satellite Phone
- Secondary Chartplotter
- 3,7m Dinghy
- 15 HP Suzuki Outboard Engine year 2011
- Stand-up Paddle
- Diesel 500L

- Barbeque
- Freezer
- Refrigerator
- Electric WC
- Reupholstered interior cushions
- Custom extra kitchen storage
- Spare parts and tools and more.

2022 Water heater, Force 10 411011, 42 L Salt water foot pump at sink.

Custom-made cabinet (Beneteau) + wine glass rack

Remarks :

This **Beneteau 49** was built in Marion, South Carolina, USA. 1st owner sailed her from Charleston, USA, to the Caribbean (US Virgin Islands). Between seasons, it remained dry from late April to November. The second owner bought it at the beginning of 2021, updated it, and crossed the Atlantic Ocean with the ARC in May. It sailed in the Mediterranean Sea in the Summer of 2021 and 2022. Now the boat is 20 minutes from the centre of Barcelona, Spain. The boat is sold through Network Yacht Brokers. If you'd like to view it, please schedule an appointment with us. Flag British Virgin Islands

The Beneteau 49 represents an era of genuinely exceptional Beneteau sailing yachts. The profile and look of the hull and deck, designed by Berret/Racoupeau, were modernised while retaining the significant assets that have made Beneteau yachts admired for decades. Below decks, the boat drew excellent lines, featured brilliant woodwork, and used superb materials, elevating the Beneteau 49 to a new level of interior luxury. The owner bought a 2011 Suzuki engine with 15 hp and four cylinders for the dinghy. The engine impeller has been changed, the turbo has been overhauled, and the anodes have been changed. In April 2024, the antifouling was done in conjunction with propeller maintenance and anode replacement.

European VAT is paid on the boat and is included in the advertised price. The Spanish 12% matriculation tax is also included.

More information from the seller: "We bought the boat to cruise the Caribbean Sea and cross the Atlantic, and then sailed the Mediterranean. That was our project for two summers. Now we went back to land to work, and maybe in a few years, sail again, but in other places of the world. I'm a US citizen. We went to Turkey in October 2022, and in 2025, we imported the yacht in Europe, paying its taxes and IVA.
