Remarks :

The De Antonio Yachts D28 Open is a versatile and stylish motorboat for those seeking a luxurious and functional day cruiser. With a length of 7.99 meters and a beam of 2.99 meters, it offers ample space and comfort for up to ten passengers. The innovative design features a center console layout, providing easy access around the deck and enhancing the social onboard experience.

One of the standout features is the hidden outboard engine system, which improves the boat's aesthetics and contributes to a quieter and more enjoyable ride. The D28 Open can reach up to 38 knots, ensuring thrilling water sports or coastal cruising performance. Its high-quality finishes, customizable options, and attention to detail make it a premier choice for boating enthusiasts seeking style and substance.

The owner bought it for using during Copa America, however now there are not using it anymore and the family does not want it.
