De Antonio Yachts D28 Open

Broker Remarks

The De Antonio Yachts D28 Open is a versatile and stylish motorboat for those seeking a luxurious and functional day cruiser. With a length of 7.99 meters and a beam of 2.99 meters, it offers ample space and comfort for up to ten passengers. The innovative design features a centre console layout, providing easy access around the deck and enhancing the social onboard experience.

One of the standout features is the hidden outboard engine system, which enhances the boat's aesthetics and contributes to a quieter, more enjoyable ride. The D28 Open can reach up to 38 knots, ensuring thrilling water sports or coastal cruising performance. Its high-quality finishes, customizable options, and attention to detail make it a premier choice for boating enthusiasts seeking style and substance.

Delivered new in 2024 and with only 80 engine hours, this De Antonio Yachts D28 Open has a unique pedigree, having been part of the prestigious 37th America's Cup in Barcelona. The owner purchased it for this event and the family does not want it.

Last time out of the water in July 2025, revision of the engines and hull. Now the boat is in the water.

Accommodation

The layout has been smartly designed to accommodate **up to 10 guests** on board, combining practicality with sleek aesthetics.

Below deck, there's a **fully enclosed bathroom** with electric toilet, washbasin, and 42 L holding tank. A concealed underdeck area offers additional storage or can serve as a resting space.

On deck, the walkaround configuration provides:

A **generous bow sunbed area** with retractable table

Comfortable aft dining area with fixed table and wrap-around seating

Freshwater deck shower

Premium upholstery **Morbern Sundance® HERM**, in excellent condition

Extended swim platform (+50 cm), increasing total LOA to 8.49 m

D28 Open: Although its design focuses on open spaces, it also has a cabin that includes a full bathroom, providing additional functionality without compromising the open design.

Mechanical and Rigging

Powered by **twin Mercury V6 FourStroke 200 HP outboard engines** (total 400 HP), this De Antonio 28 delivers excellent performance, maneuverability, and fuel efficiency. With only **80 engine hours**, the boat is in outstanding condition and still **covered under official hull and engine warranty**.

The **Mercury Active Trim system** automatically adjusts engine trim for optimal acceleration, stability, and fuel consumption under any sea condition.

Also fitted with a **bow thruster** for precise port maneuvering, **Zipwake® dynamic trim control system**, shore power connection with battery charger, bilge pumps, and a complete electrical system with a 12V socket at the helm station.
