### **History and Construction:**

Built by Sadler Yachts in circa 1984, hull, deck and superstructure moulded in white GRP. with red painted Hull. Deep cast iron Fin keel with skeg hung GRP rudder with tiller steering. Self-draining cockpit with white coloured decks. Internal joinery is teak.

This boat is being sold following a summer of use which has given the owner confidence to buy a larger yacht for his family.

## **Accommodation**

The Sadler 32 offers 6 berths in 2 cabins with 1 head with good size saloon and galley area. The owner's aft quarter berth has a double berth and under berth storage. The forward cabin has a double berth. and there are two single berths in the saloon.

Between forward cabin and saloon is an area with hanging locker and the heads. The head has a sink and marine toilet and storage locker

The saloon has two settee berths with 6ft headroom. The saloon seating, with recent upholstery, and central table provides good seating for six people. The folding table provides easy access to the forward cabin. There is lots of storage space behind and below the settee cushions. The boat has very light and airy but also has a a cosy feel with the blue curtains. The chart table is to starboard with navigator's seat with storage beneath.

The galley is to port and has stainless steel sink, 2 burner gas-cooker, with oven and grill, 12v fridge. Lots of storage space. The boat has pressurized cold water. Some crockery, cutlery and curtains are included.

The cockpit has tiller steering with lockers which provide good storage space.

## Remarks :

### **1984 Sadler 32**

This is a comprehensively equipped example of the Sadler 32 which has been owned by the current owner for the past six months. The owner is selling as this yacht has given him the confidence to now buy a larger yacht. The Sadler 32 is a popular and well proven cruising design with a traditional layout and excellent sailing characteristics. This boat because of the way that this yacht has been specified with slab reefing mainsail with lazyjacks, furling genoa and autopilot it is very easy to sail and handle short-handed. This yacht has a good size saloon and galley area and good size cockpit and is well equipped with a good selection of navigation instruments, heating and entertainment equipment to make her a pleasure to be aboard. This is a chance to buy a Sadler 32 in really good condition with a high specification at a sensible price. She would make an ideal first boat for anyone. An early viewing is highly recommended.
