whether at sea or in the marina.

Remarks :

1987 Sunseeker Rapallo 36 for sale in Kent.

This stunning Sunseeker Rapallo 36 has been completely modernised throughout and benefits from upgraded twin Volvo Penta TAMD63 330hp shaft driven engines (new in 2003) with only 600 hours on each. Sunseeker has always been renowned for creating great performance boats with luxurious style, which 'Seeker I' delivers in spades. The Sunseeker Rapallo is a fantastic boat, bulletproof build quality with huge amounts of accommodation, with over 6' cabin headroom internally and boasting twin heads compartments and a separate aft cabin with en-suite. These are a great family boats; the large centre cockpit is deep keeping everybody safe and twin shaft drives to keep maintenance costs down with no outdrives. Her fine entry hull makes for a comfortable ride in coastal waters with brilliant sea keeping capabilities. This is a classic Sunseeker with ageless style and twin shaft-driven engines with rudders which makes for easy manoeuvring on tight moorings or inland waterways. A berth at Chatham Marina is also available.
