Anitfouled in May 2024

Steel fuel tanks were cleaned

300 liters freshwater keel tank with electric and manual pumps and filtration system.

Brass oil lamps in saloon

Tools and spares

Load luggage carrier

## Owner's Comments

"Ocean Eagle" was built in 1979 and professionally fitted out by Lavis's Boatyard. She is in excellent condition, which was confirmed by a recent survey and has benefitted from a full refit in 2013 by her previous owners who were professional boatbuilders. I purchased the boat in 2017 and since then have had a new Nanni N4 38hp engine fitted. Upgraded all related components including new shaft, prop, anti-syphon, exhaust, water strainer, seacock, shaft seals, mounts etc. She has also benefitted from continuous investment in upgrading equipment and systems under my ownership. It is now ready to sail around the world or wherever you may wish to go.

## Broker's Comments

"Ocean Eagle" has a deep cockpit and feels sturdy, safe and relishes strong conditions. She has been well cared for and viewing is recommended"
