Designer: Joubert-Nivelt

Builder: Chantier Naval Latitude 46, La Rochelle, France.

Builders Comments

Launched in 1991 like a big brother to the Tofinou, the boat immediately aroused interest and admiration. Like the Tofinou, the hull and deck are made of polyester, teak and varnished mahogany.

At 8-meters long, it comfortably welcomes up to 6 persons on-board. The self-draining cockpit is large and spacious. No need to come out of the cockpit for manoeuvring: halyards, sheets, reefing lines, engine handle and furling jib are at an arm's reach for the person at the helm.

Beneath the roof, the atmosphere in the cabin is warm and convivial. The fittings are very functional and constructed with care in satin-varnished mahogany by talented woodworkers.

The two lateral front berths are upholstered with a pretty canvas sheet whose colour is in accordance with that of the hull. To starboard is a stainless steel sink with pressurized water.

There is a toilet beneath the front berth.

The Tadorne is a fast sailboat and stiff under sail.

Construction

The Tofinou 8m is entirely hand-built with the same care for beauty and quality as that given to her sister ship, the Tofinou 7m. The hull and deck are GRP with teak laid over the GRP deck.

Ivory topsides

Lifting keel

Varnished mahogany tiller

Mast, Rigging and Sails

Accommodation

Remarks :

This stunning looking 2014 Latitude 46 8m Tofinou Tadorne was launched in 2015 and comes with a Yanmar 15hp diesel engine. She has a long encapsulated keel with an aluminium centreplate with a draft from .50m to 1.10m. Her hull is copper coated and her teak deck is laid over GRP. Her painted mast can be stepped via her tabernacle and A-Frame. She has a large self-draining cockpit and all her sail control lines are lead back to the cockpit. Her lovely interior includes four berths, marine toilet and sink, She is easy to tow on her double axle galvanised trailer and will turn heads where ever she sails. She is in lovely condition and viewing is highly recommended.
