- Mainsheet track and traveller system

Mainsheet system (3:1 purchase)
Trampoline (white Aquabatten Supertramp)
Helm seat with upholstered backrest

Accommodation

Remarks :

Experience Ultimate Luxury and Comfort with the Leopard 50 Catamaran!

The Leopard 50 sets the standard for superior living space, seamlessly blending indoor and outdoor areas. Its flybridge is a haven, complete with a lounge area, table, sunbed, optional exterior speakers, and shade awning. Access is direct, with floating stairs leading from the side deck.

Unique to the Leopard 50 is its innovative layout, providing the advantages of a traditional flybridge while ensuring the helmstation's protection behind a dedicated hardtop. This design offers direct access to and visibility into the aft cockpit. Unlike similar sailboat flybridge configurations, passengers can move freely under sail, enjoying ample headroom without concerns about interference from the boom. This thoughtful design maintains a connection with the helm station, a hallmark feature across all Leopard Catamarans.

Adding to its allure, the Leopard 50 boasts a fully equipped, spacious kitchen, three double-bed cabins, and four heads. To truly grasp the exquisite craftsmanship and beauty of this vessel, we highly recommend scheduling a viewing.

Contact us via call, email, or Facebook message for more information on making the Leopard 50 your ultimate seafaring experience!
