Remarks :

The Victoria 30 is a medium displacement long keeled cruising yacht designed for family cruising. With her easily driven hull form and canoe stern giving a sea-kindly motion, she is

also a capable offshore performer. Designed in the USA by Chuck Payne, this Victoria 30 has wheel steering and there is accommodation for five in the forward cabin, saloon settee berths and quarter berth. The white panelled ceiling and solid timber joinery make the saloon a comfortable place to relax with easy access to galley and chart table. Beta Marine 25hp engine installed in 2011.
