Experience the perfect combination of elegance and performance with the Jeanneau Cap Camarat 6.5 WA (2024). This beautiful boat, featuring a sleek Legende blue hull, is ideal for both leisurely cruises and exciting water sports.

Powered by a Yamaha 150 four-stroke outboard engine, the Cap Camarat 6.5 WA ensures a smooth and powerful ride. The ergonomic helm station, large bolster seats, and stainless steel steering wheel provide a comfortable and commanding driving experience.

The deck and cockpit are designed for comfort and versatility, featuring cockpit cushions and luxury folding benches on both the starboard and port sides (Premiere Pack included). The cockpit table and forward sunbathing area with plush cushions make for perfect outdoor relaxation spots.

Enjoy water activities with ease, thanks to integrated swim platforms, a ski mast, and a water system with a cockpit shower. The electric windlass, mooring kit, and anchor kit make anchoring and docking simple and secure.

Inside, the cabin offers a cosy retreat with a comfortable V-berth, removable interior table, and ample storage. Cabin cushions (Premiere Pack included) and a double berth add to the comfort. Natural light floods through side windows with curtains, creating an inviting atmosphere. A chemical toilet adds extra convenience.

Additional features like the console and seat covers, along with the beautiful Legende blue hull, enhance the boat's overall aesthetic and functionality.
