# Jeanneau Sun Odyssey 455

## Broker Remarks

More than a boat, the Sun Odyssey 455 is an invitation to experience the sea without compromises. Elegant and seaworthy, this 45-foot sailboat combines power, comfort, and peace of mind. Easy to handle and safe in all circumstances, she features attractions for each person on board: sensations at the helm, an inviting atmosphere in the cockpit, and well-being on the interior. The Sun Odyssey 455 embodies a new generation of Jeanneau sailboats, where each cruise becomes an unforgettable human experience. This Sun Odyssey 455 is available for £438,914, a substantial discount from the listed price.

Part exchange and  
finance available.

## Accommodation

One-level interior with no door sills for cabins • Large doors, double access to aft head • Leather-wrapped handrails • LED lighting • Large double berths • Fully-upholstered hull sides • Blinds for each hatch and opening in the forward and aft cabins • Numerous choices of interior ambiances • Large seaworthy storage spaces, with fiddles, soft closing drawers and cabinets • Separated shower compartment in the forward owner's cabin

Charts table with opening top, laptop compartment, open storage space, large fold-away seat for sitting or lying down, electrical panel, reading light and bookcase

U-shape galley, ideally located near the centre of gravity of the boat • Compact counter top • Double stainless steel sinks with covers • 2-burner stove with oven • Fridge 190 L with top and front access

## Mechanical and Rigging

### ENGINE AND MACHINERY

- Latest-generation Common Rail engine with reduced emissions and consumption • Yanmar Engine 4JH57CR Sail Drive - 57 HP / 42 kW – Alternator 125 Ah • Engine panel and throttle located at the starboard helm station • Insulation: Foam 40 mm, with fire retardant film • Built-in muffler, air ventilation and stainless steel exhaust fitting • Fixed 3 blade propeller • Ventilation system extractor fan located near the engine, benefiting from the insulation of the engine room. Outlets vents at the back of cockpit • Roto moulded fuel tank 190 L located under the aft cabin berth, fuel / water separator • Access behind steps to engine compartment and from aft cabins
- Domestic battery bank capacity 2 x 95 Ah / 12 V • Engine start battery capacity 1 x 50 Ah / 12 V

**SAILS AND RIGGING** • Horizontally-cut in High Strength polyester • Semi-battened main sail with 3 reefs 54 m<sup>2</sup> / 581 Sq ft • Furling genoa 120 %
