Remarks:

Fionnar is a powerful coastal cruiser powered by a single Volvo Penta 260HP shaft drive diesel engine. A robust and stable boat she is very well proven in all seas. A great opportunity to acquire one of these popular and comfortable five berth motor boats. Top speed of 23 knots and a cruising speed of 18 knots. This Jeanneau Merry Fisher 925 has a good inventory. Lightly used with low engine hours, she will provide great sailing.
