Remarks :

The Brig 610 Navigator is thoughtfully designed to maximise comfort and functionality. The bow area features additional seating with cushions, providing a comfortable space for passengers to relax. A spacious rear bench seat offers seating for multiple passengers with storage underneath. The centre console with twin jockey seating, offers good visibility and easy access to controls. There is ample storage with several under-seat compartments provided to keep gear and belongings secure and dry. The deck is designed for safety, covered with non-slip material, and grab handles are strategically placed to provide security for passengers, especially in rough waters.
