Bali 4.8

Broker Remarks

This 2021 Bali 4.8 represents an exceptionally well-equipped example of this highly sought-after cruising catamaran. Designed for luxurious and autonomous long-range cruising, she benefits from an extensive €200,000 premium upgrade package.

Powered by twin Yanmar 57HP engines with approximately 1,100 engine hours, she features a comprehensive energy management system including 1110W Victron solar panels, inverter systems, generator, large battery capacity, watermaker, air conditioning throughout, diesel heating, bow thruster, premium galley appliances and advanced onboard monitoring systems.

Her spacious open-plan saloon, generous flybridge and forward cockpit create outstanding comfort for family cruising or extended liveaboard use.

Turkish flagged and VAT included, this Bali 4.8 offers an excellent opportunity to acquire a highly specified, turn-key cruising catamaran.

Accommodation

This Bali 4.8 offers luxurious owner's version accommodation for up to 6 guests across a spacious master cabin and two well-appointed guest double cabins, all with en-suite bathroom facilities.

Full air conditioning is fitted throughout the yacht, complemented by diesel heating, hot and cold pressurised water systems, and exceptional onboard comfort for extended cruising or liveaboard use.

The signature Bali open-plan saloon flows seamlessly into the cockpit, creating outstanding indoor-outdoor living space ideal for family cruising and entertaining.

Mechanical and Rigging

Twin Yanmar 57HP diesel engines with approximately 1,100 engine hours. Sail drive propulsion system with hydraulic wheel steering. 11kW Onan generator, extensive Victron energy management system including 1110W flexible solar panels, inverter systems and dedicated service battery banks. Extra 1,000 litre fuel capacity supports extended cruising capability. Standard sloop rig configuration designed for comfortable and efficient passagemaking.

Accommodation:

Master cabin plus 2 double guest cabins with en-suite facilities. Full air conditioning throughout, diesel heating, fans/ventilation, Samsung smart TVs with Apple TV integration.

Galley & Domestic Equipment:

635L Samsung refrigerator with ice maker and water dispenser, Bosch smart oven, gas hob, microwave, dishwasher, washing machine with dryer, coffee machine, kettle, large gas barbecue.

Electrical & Energy Systems:

11kW Onan generator, 1110W Victron flexible solar panels, Victron inverter systems, dedicated engine and bow thruster batteries, advanced digital energy monitoring via cockpit display and mobile access.

Water Systems:

Aquaprime 200L/h watermaker, drinking water purification system, approximately 1,000L freshwater capacity.

Navigation & Comfort:

Bow thruster, flybridge and forward cockpit tables, LED hardtop lighting, underwater lights, sunshades, mosquito nets, forward cockpit tent.

Security:

Wireless alarm and camera monitoring system, smoke, gas, humidity and liquid sensors, boat tracking system.
