Gas Locker

Remarks :

The Jeanneau Merry Fisher 795 is the most popular model in the Merry Fisher range, combining practicality, innovation and refinement over its peers. This model is always in demand, as it offers good sea keeping qualities from its V-shaped hull, has dynamic styling, offers large amount of light giving good visibility and can even be trailored if needed. This model gives great benefits for use in the UK conditions allowing you to enjoy your time on the water come rain or shine. With the ability to open up the saloon or close it down to suit, with the solid state aft doors, roof hatch and side siding windows either side you will have lots of control.

This 2018 derivative has been tweaked with some distinctive styling charges over the outgoing model. Now finished internally with **Walnut** joinery and **Diamante Moonlight, Carbon** upholstery gives a fresh modern appearance.

Now available to view ashore in Chichester Marina - Part exchange considered
