These boats are one of the most sold day cruisers that with its practical and well thought out design, makes it easy to get to the bow through a door in the windscreen. On aft deck the rotating chairs together with the U shaped sofa create a roomy cockpit where we can also transform the dining area into a sun bed for all the family to enjoy. With all the smart solutions, this is the perfect boat for a small family looking for great adventures.

Lying ashore Chichester Marina close to our office on her trailer (also included)
