

Jeanneau Sun Odyssey 50 DS

Year: 2015
Location: Eastbourne
LOA: 49' 5" (15.07m)
Beam: 14' 9" (4.55m)
Draft: 7' 6" (2.29m)

Remarks:

This is an excellent example of a Sun Odyssey 50 DS, designed by Philippe Brand. She is the perfect size for a family or a couple, with a cockpit at either end of the boat. The interior is well equipped with a full galley, a double berth, ample space for living-aboard and can be converted into a double berth.

Inventory

Manufacturer Provided Description

Philippe Briand designed her high performance hull, while the Garroni Designers lent her an elegant style. Together, they have conceived the ideal sailboat to meet your every expectation : fluid lines, design and construction certified by the Bureau Veritas, a streamlined keel and appendices for excellent performance at sea, and the comfortable, modern interior of a new generation of Sun Odyssey.

You will appreciate the ease of handling this large seafaring sailboat. The three-part cockpit features twin steering wheels at the helm, an open-air saloon with comfortable bench seating for entertaining around a generously-sized cockpit table, and an additional lounge area for relaxing while underway. Large winches and a powerful electric windlass facilitate handling.

Remarks :

This is an excellent opportunity to own a sought after Jeanneau Sun Odyssey 50DS, designed by Philippe Brand. She is the much favoured two cabin version with beautiful en-suite cabins at either end of the boat.

The 50DS is incredibly flexible offering long distance cruising at comfort, ample space for living-aboard and can be easily managed short-handed.

She benefits from a large spacious saloon with excellent dining space, additional berth, a well-equipped galley with twin fridge and microwave along with a forward facing chart table. This is a very well specified and maintained boat, which has had two owners from new and 435 engine hours.

Virtual viewings are available on request and more images will be added in the coming days.
