A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

### Remarks :

This is a rare opportunity to purchase a lightly used EAGLE 6 with upgraded 140hp Suzuki outboard, 53 hours run.

Built with comfort, style and safety in mind it has an extended bow area accommodating a generous sundeck, comfortable seating for 8 passengers and large lockers under each seat providing ample storage. As with all the Eagle series, the Eagle 6 is designed with a reinforced deep 'V' hull, along with extended waterline length, extra-wide tubes and a

square bow, all of which ensure a stable and dry ride even in heavy seas.

This striking version was originally sold by us new and has one careful owner either storing on it's trailer or in a dry stack so the hull is in good order with no antifoul. This example is one of the heightist specifications we have sold and comes with an upgraded Suzuki 140HP engine, black carbon Hypalon tubes, black GRP, tan seats, black sea-deck floor, sundeck, Garmin chart plotter, Garmin vhf, fusion stereo, full set of covers and a custom SBS BRIG branded trailer is also included.

This highly desirable sports RIB is available to view and be used now!
