Remarks :

This sort after model has just been listed on the market and is available to view in Port Solent Marina. She is a fine example of a very popular model having been looked after and maintained by her owners over the years. Swift Trawlers are renowned for their sea-keeping ability, comfort on long passages and well thought-out accommodation and you can certainly see why once you step on board 'Beloric'. Her large saloon, upper galley and spacious cockpit allows for plenty of entertaining space on board whether it be with friends or family. Her accommodation consists of a large forward double berth and a second twin bunk cabin making her the perfect boat for a young family or a couple that want to offer the ability for guests to stay on board occasionally. Her saloon sofa also folds out into a double bed making her a 6 berth boat.
