Accommodation

Accommodation:

The accommodation on the Jeanneau Merry Fisher 1095 is one of the major draws for owners. There are an incredible 3 cabins including a very large master island berth. There is great storage throughout and good amount of light coming in from the long sea vision inspired potholes as well as ventilation from the deck hatches which also provides more light. There's great space in the saloon and fully functional galley area with ample seating and a commanding helm position with large side access door.
