# Jeanneau Cap Camarat

## Broker Remarks

**\*\*\* IN STOCK NOW \*\*\***The series III Jeanneau Cap Camarat 6.5WA builds on the success of the previous model but has a completely new Michael Peters designed hull that delivers strong performance but also increases the internal size that now give the cockpit size that is more akin to the 7.5WA. This will be a striking example with a Blue hull. The 6.5WA is a great all rounder, with good performance from her 150hp Yamaha Electronic Shift engine coupled with the ski arch, s/steel swim steps and cockpit shower making water sports easy and enjoyable. If you are seeking sociable and flexible spaces this boat can deliver, with two pull down bench seats aft that create U shaped seating around the cockpit table for lunch, if further seating is required both the helm and navigators seats can be pivoted round. In addition there are two generous sun beds on the bow with adjustable backrests for lounging. If you fancy a spot of fishing this boat can easily adapt, just fold away the bench seats for more deck space and make the most of the two rod holders and the self draining locker on the port swim platform for any fish or items you would prefer to keep out of the cockpit. Down below there is a good sized V berth which is enhanced by the double berth conversion insert to make a large flat berth. There is also space for a chemical toilet and has a opening port hole for ventilation.

This 6.5WA Series 3 has a high specification which includes a fly-by-wire 150hp Yamaha engine, electric anchor windlass, forward sunbeds, upgraded 9inch Garmin plotter, Fusion stereo, ski arch, double berth

Just arrived at our Chichester office she is available to view 6 days a week.

Some library photos of a sister ship are being used.

# Accommodation

## Engine:

This boat will be rigged with the well respected Yamaha F150GETX (150hp) with Electric Shift which is a Fly by Wire system that gives its user a great experience with smooth shifting and tactile throttle response. This will be supplied with a s/steel bolt lock and YCOP Yamaha engine immobiliser as standard which can reduce insurance premiums.

Engines Upgrades Available at an extra cost:- F175CETX (175hp) or F200GETX (200hp)

## Equipment:

### Premier Pack

- Luxury Folding Side Bench Seat on Portside with Cushion
- Luxury Folding Side Bench Seat on Starboard with Cushion
- Backrest for Folding Side Bench Seat on Starboard Side
- Cockpit Table
- Swim Platforms
- S/Steel Ski Mast
- Two Rod Holders
- Front Sundeck Mattresses with Folding Backrests
- Double Berth Conversion Kit for cabin
- Electric anchor windlass
- Large bolster seat upgrade
- Mooring kit
- Anchoring kit
- Electric anchor windlass

## Accommodation:

Down below the 6.5WA has two single berths running down the length of the hull. This example has a berth conversion kit which allows for an additional hard backed cushion to be inserted in the V berth to create a large sleeping area. The cabin also benefits from a mirror on the forward bulk head, opening deck hatch for ventilation and space for a chemical toilet.
