Remarks :

This new Jeanneau Cap Camarat 10.5WA Series 2, is inspired by the Cap Camarat 12.5

WA, and replaces the first-generation model which was already a best seller launched five years ago. Every element of this boat has been redesigned and refined with substantial stainless steel supported T-top offering you the level of protection you need and expect for a boat tailored to our climate all supported on a Michael Peters no step infusion moulded hull offering greater engine choice flexibility and performance.

Here at Blackrock Yachting we have a proven track record with large Cap Camarat's in the UK and have drawn on our experience to specify this boat to meet our customers requirements best. The previous generation 10.5WA was an impressive boat but the series 2 really has to be seen to be fully appreciated.

This example comes highly specified with twin 300hp Yamaha engines (upgrade to 425hp possible), Premier Pack, Bow Thruster, front sun deck, automatic trim tabs, T-top, T-top closing kit and lots more. Most additional options can be seamlessly added or amended if required.

The price includes VAT, delivery and commissioning in the UK. Also available for export - price on application and part exchanges considered.

Arriving with us in Chichester in October 2022 please contact us now to discuss this boat further.
