**Remarks :**

"Gabriele" Azimut 36 is a beautifully presented version of this stylish Italian flybridge. She boasts an impressive specification including trim tabs, bow thruster, Raymarine E series chart plotter, electric anchor windlass, new upholstery, flexiteek decks and much more.

Fitted with twin Caterpillar 300HP engines which have an extensive service history having been professionally maintained and no expense has been spared. Garbriele has been well looked after and offers someone a unique opportunity having already been coded for charter. We thoroughly recommend early viewing.

Owners comments: 'Gabriele is a lovely boat to drive and she has served me, my family and business well over the years. She is a coded vessel which has been used for charters and training as well as doing social outings with friends.'

Viewing by appointment
